

October 1, 2021

Skyline Kiwanis is excited to announce our third "Top Golf" Golf Tournament to support the **The Skyline Kiwanis Foundation and the Veteran's Community Project**. This year's "Top Golf" will be at their new facility Sunday, November 21, 2021. Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

This year's proceeds will benefit the **Veteran's Community Project** in Longmont CO. We are thrilled to announce that **80%** of event net proceeds go directly to support the **VCP's** veteran's housing project.

I am writing to ask for your support of this year's event. This event is one of many initiatives Skyline Kiwanis supports throughout the year in the Longmont area. In all cases, we rely 100% on community support to meet our goals. Please consider supporting the golf tournament in the following ways:

- Golf Tournament Participation
- Auction Item Donation
- Bay Sponsorship
- Golf Team

Thank you in advance for your commitment to support this wonderful event, and please feel free to call me with any questions or for more information.

Best wishes,

*Dick*

# VETERANS COMMUNITY PROJECT

VCP Village - Kansas City

## One Homeless Vet Is One Too Many.

Veterans Community Project is on a mission to end Veteran homelessness across the country. Founded by a group of combat Veterans in Kansas City, VCP's community-based solution includes a tiny house village with on-site, wrap-around services. With the peace and security of their own homes, Veterans work closely with specially-trained case managers to overcome challenges related to health, employment, housing and social isolation. The ultimate goal: permanent housing and the skills to ensure a better future.

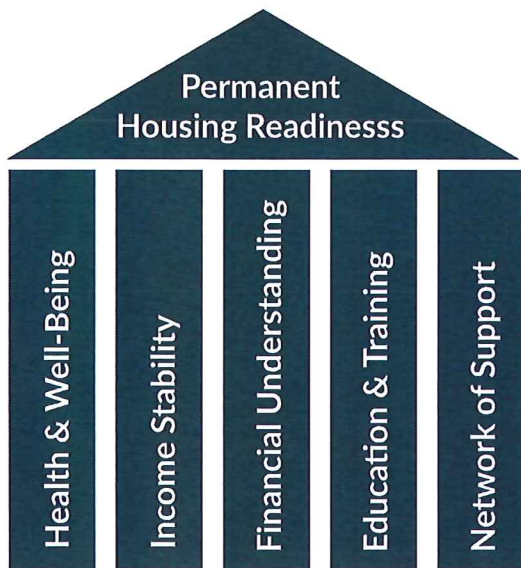

**Longmont, Colorado** is the first expansion site of Veterans Community Project, founded in Kansas City, MO. When complete, VCP Village-Longmont will have 26 tiny homes (21 for individuals and five for Veterans and their families) and a Community Center to provide direct services to the village residents.

As part of VCP's mission to house with dignity, each Veteran's home is fully furnished with new furniture,

appliances, and household goods which become the personal property of each resident. Homes feature a fully-functional kitchen, bathroom, and living space.

Every detail is designed with Veterans' needs and preferences in mind, including placement of doors and windows to increase a sense of security for those who have been impacted by post-traumatic stress disorder.

## HOW WE HELP

VCP provides holistic, one-on-one case management to Veterans experiencing homelessness. Using a self-sufficiency matrix, VCP assesses an individual's ability to meet basic life needs without assistance. VCP uses the resulting scores to help each Veteran identify and track progress on goals they want to accomplish with the primary focus on maintaining a healthy lifestyle, increasing and managing income, developing job skills, and establishing positive networks of support within the community.

Because individuals in crisis often require services from multiple agencies, VCP develops strategic partnerships with members of the social service community to help Veterans move towards permanent stability.
